## The “Road Less Traveled” Reserve Tasting Experience

### **2014 Nancie Chardonnay**

**\$48**

From its engaging nose of raw vanilla beans, apple crisp and fresh pear, to its lemon zest and precise palate, Nancie is a noble Chardonnay that remains food friendly and thought provoking all at once.

### **2013 Two Brothers Pinot Noir**

**\$55**

The density of 2013 is immediately evident on the nose, with dark cherry, ripe raspberry, and hints of fresh plum. It's a joy to see how the combination of these unique vineyards have come together to make such a dynamic wine and an increasingly distinct Two Brothers.

### **2015 Tripp's Block Pinot Noir**

**\$78**

On the nose, Kirsch, black cherry, and angostura bitters rise to the foreground in a new way, yet the classic forest floor and baking spice components we love from this vineyard add to its background, making the nose complex and dynamic. The wine finishes with some of the silkiest tannins we have seen from this site.

### **2014 Cuvée Moriah (Grenache/Mourvèdre)**

**\$50**

Cuvée Moriah has been a long time favorite of the Donelan team for its precise palate and ability to pair with a wide range of our favorite meals. Components of wild-herbs and cured meats, delicate fruit flavors of pomegranate and rhubarb with savory notes of caraway seed and cardamom spices.

### **2014 Cuvée Christine Syrah**

**\$48**

We assemble unique Syrah lots from multiple sites to create texture, mouth-feel, and intrigue. The nose opens with fig-paste, dates, star anise, and garam-masala—a combination of aromatics that is alluring yet extremely subtle and elegant.

### **2014 Kobler Family Syrah**

**\$60**

Careful farming has allowed us to control the ripeness of the Viognier as a tool of restraint. The Viognier counterbalances the salami flavored Syrah with flavors of gooseberries, white peaches and chutney, while providing the desirable minerality that makes the mid-palate sing.

### **2014 Cuvée Keltie Syrah**

**\$90**

The wine explodes immediately from bottle with chocolate ganache, hot fudge, and fresh rye bread. The wine is delicious, but it will benefit from cellaring as its youth is certainly evident.

### **2014 Obsidian Vineyard Syrah**

**\$105**

Our estate property as of 2015. With rocky, shallow soils, the clusters are tiny, concentrated, and this fruit requires the most attention in the cellar to chisel away at its intensity. This wine is very youthful, yet already abounds with flavors and aromatics.

### **2013 Richards Vineyard Syrah**

**\$150**

The wine opens with a nose of sage, truffle, and a sweet-savory richness reminiscent of foie-gras. It evolves into a world of fine, French chocolates, then hot fudge, and finally sea-salted chocolate. While it is certainly decadent, its nuances and layers evolve in the glass in new and interesting ways with every taste – perfect for a long evening.
